**Prescribed sale**

**A** nursing home and health-care operator is moving its headquarters to Norcross.

**UHS-Pruitt Corp.** is expected to pack up its belongings in its current Tocoia, Ga., headquarters and make the 104,900-square-foot 1626 Jeurgens Court in Peachtree Corners its new home. UHS purchased the facility from an unnamed institutional investor. Bill Buist and Bruce Logue with **Colliers Cauble & Co.** in Atlanta brokered the deal for the seller while Sam Lord, an associate broker with **Jessee & Associates Inc.** represented UHS-Pruitt.

The price of the sale was undisclosed.
